

# A Taste of Harrison's to Benefit Our Children's Center

*"You don't have to shop or prep - just pick up & enjoy!"*

Award winning Harrison's Wine Grill is located inside the Hilton Garden Inn on E. College Avenue. They have earned a reputation for serving a delicious seasonal menu made from the freshest, often local, ingredients. Every day they serve a selection of six delicious home-made soups. We are pleased to announce that Harrison's have offered us the opportunity to sell four soup favorites to our school community and keep 20% of total sales to benefit our school! Choose from the following soup varieties: Baked Potato (baked potatoes w/ skin, cheddar, chives), Spicy Black Bean & Sausage, Turkey Pot Pie (thick, creamy turkey and veggies) and Vegetarian Minestrone. There is something for everyone! Please choose from two serving sizes: a pint (serves 2) for \$5.50 or a quart (serves 4) for \$10.00. Plan to simplify lunch or dinner and get some extra for the freezer - this is a "souper" meal for a rainy day or chilly evening! Feel free to share this opportunity with friends and family. The more soup we sell, the more money we make to benefit our children. This is truly delicious fundraising!

So, now that we have made you hungry, simply fill out the form to the right and return it to the OCC inbox in the lobby with a check made out to OCC by Monday, April 12, 2010. Soup-er meal pick-ups will be in the OCC kitchen on Monday, April 19 when you pick up your child from school that day. If you have questions about this sale, you may contact the OCC office at 237-1585. Thanks for your support!
