

**Our Children's Center**  
  
**MONTESSORI**

*Ms. Sarah is a Co-Teacher in Classroom 3. Sarah is a graduate of Penn State University with a Bachelor of Science in Agriculture Education with certificates in Ag Ed, Environmental Ed and General Science. Sarah has been working in various education settings for the past 15 years. She has worked as a museum educator, an instructional supervisor for an online school, and a high school science teacher. Most recently she has taken a course in Montessori Fundamentals to better serve her students at OCC and understand the philosophies of Montessori. Sarah is active in community projects that local foods and food access.*

*Ms. Sarah was drawn to learn more about Montessori after her oldest son started attending OCC. Now both of her children are graduates of OCC! Ms. Sarah believes that at OCC, we are helping shape lives by giving children strong foundations in peaceful resolutions, grace and enjoyment in everyday tasks, and excellent materials to introduce concepts in language and math. Ms. Sarah especially enjoys working with parents because she believes that raising our children is a community endeavor.*
