**MONTESSORI**

*Ms. Shengxi joins OCC this year as a Montessori Teacher Training Intern. When looking for a preschool for her 3-year-old daughter, Shengxi fell in love with the Montessori method. This past summer Shengxi began her Montessori*

*Teacher-Training at The Barrie School in Silver Spring, MD. Shengxi believes that Montessori training is not just a way to be a teacher; it is a transformative journey that deepens one's understanding of the potential of children and their ability to transform the world.*

*Ms. Shengxi graduated from medical university in China and has her Master's Degree in Pediatrics. Having relocated to State College with my family this summer, Shengxi and her daughter will both begin their Montessori journey at our wonderful school.*
