

Our Children's Center

MONTESSORI

Ms. Alison is a Co-Teacher in Classroom 3 and is enjoying her third year here at OCC. Alison started her career in public teaching, but has now found a new forever-home at OCC. Alison attended the University of Scranton for both her under-grad and graduate schooling. Alison spent some time teaching in Montana on a reservation and in Philadelphia, PA at both public and private schools. Alison credits the reservation school for leading her to where she is today-"a life changing experience".

Alison was born in Shickshinny, PA and now resides in Julian, PA with her husband, Brian, their 3 year old son, Jack, their nearly 1 year old son, Charlie, and their furry family member, Maggie May, a 3 year old Wire Haired Vizsla.

Alison loves spending time with her family and enjoys working in her vegetable and flower garden.
