

*Ms. Nicole is a Cooperating Teacher in Classroom 3. Prior to joining the OCC Family, she has spent many years teaching in public elementary schools in Virginia, Georgia, and Pennsylvania. Her favorite grade to teach has been Kindergarten, but she feels as if this new role as a Montessori Primary teacher is going to fit her personality well! She has already begun the Fundamentals of Montessori*

*Nicole currently lives in State College with her husband, Mark, and three fur babies (cats), Chilli, Marbles, and Skwachy. When not teaching, she enjoys going to Target, reading, and watching college and NFL football, and spending time with family.*
